600 More La Presa Acres Open

SNOW MAN COMES TO LEMON GROVE—"Laguna Louie" might be the name of a full sized snow man, the likes of which seldom are seen in Lemon Grove, when he suddenly appeared on the lawn of the Don Wilder family at 8024 Palm Street.
Wilder, an electrician, took his family to the nearby Laguna Mountains last week. Don, Jr., 12, and Rebecca, 8, filled pop's pick-up truck with snow and with the help of mom the above snow man made an appearance in Lemon Grove. Interested spectators estimated a snow man's life expectancy in Lemon Grove would not exceed 24 hours. They were right.

Sewer Trunk Lines Slated For Area Approved By County Supervisors Board

SAN DIEGO (CNS)—Opening of 600 more acres of subdivision land in the Spring Valley-La Presa area was revealed Tuesday in a surprise move before the County Board of Supervisors. The opening of the land came as a result of approval by the supervisors of an ammendment of a contract between the La Presa County Water District and the Spring Valley Sanitation District.

The original contract between the two districts was made last year. The amendment provides sewer trunk lines for the area, mostly owned by Bollenbacher and Kelton, largest subdividers in the area. The board met half an hour early to hear details for laying of the sewer lines.

Boyle Engineering Co. is supervising the laying of additional trunk lines. Bids are to be opened Monday of next week on the sale of bonds to finance the project.

ANNEXATIONS APPROVED

Second Bicycle Theft Reported

Another bicycle theft was reported last week to the Sheriff's Department.

A red racer bicycle, a Christmas gift, was reportedly stolen Friday from in front of the home of Mike Hoffman, son of Mr. and Mrs. Clarence E. Hoffman, 2103 El Dora Street, Lemon Grove. The bicycle was stolen, Mrs. Hoffman said, between 7 and 10 p.m.

Eleven-year-old Gary "Red" Zwerneman of 7987 North Avenue also lost his bicycle recently when it was stolen from Golden Avenue School.

sons who had worked and waited for Dedication Day.

Knights of Columbus of San Miguel Council supplied the Color Guard.

Inside, the dedication was marked with a low pontifical Mass while the overflow congregation occupied all seats and the vestibules and sidewall aisles.

Three hundred members of the congregation were confirmed during the three-hour ceremonies while 70 members received medals for attendance of Nocturnal Adoration, a night church attendance ceremony. Of the latter, 20 members were given three-year awards.

Following the deication, 150 members attended a banquet sponsored by Knights of Columbus of San Miguel Council. Clergy who participated in the dedication were guests of honor. Guests also included Bill Parker, president and Jesse Lee, manager, of the Lemon Grove Chamber of Commerce.

Cecil E. Sparling of the Chula Vista Council K. of C., past Faithful Navigator of the Balboa General Assembly, was master of ceremonies. Also taking part in after which the building was opened to more than 1,100 per-

The new church home of Lemon Grove area Catholics at Washington, Imperial and Broadway was dedicated Sunday.

The Most Reverend Charles F. Buddy, D.D. was celebrant. He was assisted by the church's pastor, The Right Reverend John McDonagh and other preists of the Diocese. A colorful dedication ceremony was performed outside the building to a background of the music of a youthful church choir and chorus, the ceremony was Frank O'Connor, district deputy of the K. of C. and Frank Krenach, Grand Knight of San Miguel Council.

Priests taking part who are well known in this area included Fr. Joseph Gallagher, pastor of St. Rita's in Valencia Park, and Fr. John J. Verhoeven, pastor of Santa Sophia Church in Spring Valley.

The Dimmer View

by MAX GOODWIN

Mr. Frederick Whitney and we have been in communication during the past few days. This was occasioned by our reference in this column last week to this publicist who operates a public and community relations firm in downtown San Diego under the title of Frederick Whitney and Associates. In the column we averred that Mr. Whitney, who we erroneously called George, had urged Mr. Norman Wollitz, a Lemon Grove man, to make a formal request of San Diego for a Lemon Grove annexation study, when in fact, the survey was well under way. We opined that Mr. Whitney's visit was at the behest of Mr. Tom Fletcher, assistant to the manager of San Diego City.

We stumbled across survey activity a week ago through one of our trusted lieutenants and asked San Diego City Manager George Bean about it. He said it was not of his knowledge that such a survey was being made. We asked his assistant, Tom Fletcher about it. Fletcher said the survey was being made at the request of approximately "a dozen Lemon Grove residents." Because Fletcher had attempted to arouse Lemon Grove interest in annexing to San Diego two years ago it seemed reasonable to us that he might espouse such a survey, with or without the city manager's explicit instructions.

Such surveys are fairly expensive and the city council certainly should ask the obvious "who" question if a formal request was missing.

We said Mr. Whitney visited Mr. Wollitz expressly for obtaining such a request.

Not so, said Mr. Whitney Saturday when we asked him the specific question.

"I have been interested in Lemon Grove for more than two years," Whitney told us "and my organization has been collecting names of those who might be active in a future annexation move."

"This is a legitimate method of being available for handling publicity and the election campaign when the issue of annexation comes to a head," he explained.

"We handled the South Bay annexation which was successful in July 1957 after a previous failure."

"Actually," he confided, "there never has been an unbiased evaluation of Lemon Grove." That report on incorporation was way off." (The James O. Stevenson survey.)

The fact that Whitney entered the local picture at the same time the City of San Diego's quasi-requested survey was being made wasn't mysterious.

"Just a coincidence," he said.

Many of us have held the Internal Revenue Service lacks a sense of humor although they attempted to disprove such a feeling by way of an excursion into taxpaying whimsicality.

This excursion, and a short trip it was we thought, was in the form of several "funny" incidents averred to have happened in IRS offices. These incident were captured on paper and sent out as a release to newspapers last week.

While the release did nothing to change our opinion, we should hesitate, at the expense of using poor judgement, to attempt to influence yours. So we'll repeat them here and let you be the judge.

A woman wanted a tax clerk to explain the various entries on the tax form. The clerk was explaining each item. When he came to the deduction for persons 65 and over, he queried.

"Is your husband over 65?"

"No," she answered, "but he sure acts like it!"

Miguel Students Plan Big "M" On Mt. Miguel

Mount Miguel High School will soon be represented by a huge letter "M" laid out neatly atop the west side of San Miguel Mountain, east of the high school.

The letter is to be 600 feet long and 700 feet wide, outlined in rocks and painted white.

The project is under the direction of Mt. Miguel teachers Robert Brady, Hal Crow and John Kennedy. A freshman, Clint Spooner, is in charge of the work crew.

Carol Hibbard, a senior who lives at 3620 S. Barcelona Street in Spring Valley, is coordinator. She said the Phillip White Company, owners of the property, had given permission to make the letter. Ted Ellis, an area pilot, flew members of the group over the hillside to map plans for climbing and clearing the area.

Miss Hibbard said an average of nine persons have been turning out for work but additional help is needed.

The group assembles on Sundays at 8 a.m. at the Mt. Miguel faculty parking lot and returns at 3:30. Food, water and tools are to be brought by each worker.

HELIX WATER TAKER FORFEITS $100 BAIL

The Helix Irrigation District, tightening its control over unauthorized taking of water, recently charged Marciano A. Ponce of San Diego, a driver for Sim J. Harris Construction Co., with taking $5 worth of water from an El Cajon City fire hydrant.

The second complaint was the alleged failure to use a proper wrench on the hydrant when the water was taken.

The truck-tankful of water is valued at $5 at the district's wholesale rate. Normal procedure is to obtain a permit to purchase water at special rates.

Ponce failed to appear and forfeited $100 bail he posted on the first charge. The improper wrench charge is to be heard later in the week.

Quick Thinking Cuts Fire Damage

Quick thinking by John Daniels restricted damage to approximately $400 Monday of this week when a fire swept through an upstairs bedroom of his home at 8336 Golden Avenue.

Daniels filled a bathtub with water and used it as a source of supply to contain the fire until firemen arrived. Fire and smoke damage was confined to the floor, bedding and clothes.

The blaze was discovered by 10-year-old Richard Daniels after a bedroom curtain ignited from contact with an electric light bulb.

The Lemon Grove Fire Department dispatched two fire trucks to the scene.

Local firemen also extinguished a blaze Saturday caused by grease ingnited by an overheated oven at the home of Mathew Gorry of 8489 Adams Avenue.

Nursing Homes Better Care Request Made

SAN DIEGO (CNS) — Higher standards for nursing homes taking care of county patients should be required, according to a plea made to the County Board of Supervisors.

The board Tuesday agreed to hear a member of the legal firm of Crabtree and Lindsley speak on behalf of the Sanitarium and Rest Home Association of San Diego, Inc., on high requirements.

Homer Detrich, head of the Welfare Department, Tuesday told the supervisors County Hospital is now making the assignment of county patients to rest homes.

"Frankly," Detrich said, "there's a great deal more inspection now than while under the Welfare Department."

Increased allowances for welfare patients in rest homes, now $195 per month, make higher requirements possible, Detrich declared.

Supervisors directed the County Counsel's office and the Chief Administrative Officer's department to make arrangements for the meeting with the rest home association's representatives.

Jaycees To Meet

The Lemon Grove Junior Chamber of Commerce will hold its next regular dinner meeting at Michael's Steak House on Tuesday of next week at 7:30 p.m. A program is scheduled after the business meeting.

All civic minded men between the ages of 21 and 35 are urged to attend.

A 17-jewel wrist watch will be awarded at the meeting to the man bringing the most new members to the Jaycees.

Little League Granted VLM New Site Despite Protests

SAN DIEGO (CNS)—Despite opposition from property owners in the neighborhood, the County Planning Commission has approved granting of a special use permit to allow two Little League ball fields on Waite drive, near Massachusetts avenue.

Preliminary reports to the planning department indicated there was little opposition to the project among neighbors, but Robert Sutton presented the commission with a petition of protest from 50 property owners. Sutton, who lives in the vicinity of the proposed park, is principal of the Lemon Grove Junior High School.

Sutton asked why a permit should be asked for the proposed site, when the Little League had been using the county-owned Vista La Mesa park in the neighborhood. He said he had heard that neighbors in the park area were forcing the Little League to move and protested the moving of the facility from a recognized recreational area to a thickly populated residential area. "It appears more opposition would result from such a change," Sutton declared.

NOISE CITED

The objection of people around the new site, owned by San Diego Gas and Electric Co., were based on what the fields would do to property values, Sutton declared. He said real estate people told him property values would decline if the ballfields were permitted.

Thomas LaNier, president of the league, said there was opposition to the teams due to noise. He said that at the end of the 1958 season people got up a petition against the league using the Vista La Mesa park and that Cletus Gardner, director of parks and recreation, got the league people and the protestors together.

"That was the beginning, you might say," said LaNier, "of trying to get us out of the park."

2-YEAR PERMIT ISSUED

Commissioner Johnson made the motion to issue the permit, but only for two years. "I think the league officials should be told," he said, "that how they operate this project and what they do about noise and dust will be very important when they come back in two years to have their permit renewed."

Gardner said after the meeting that the Little League is not being dispossessed from the county's Vista La Mesa park.

Instead, he said, a public hearing is to be held before the Planning Commission on Friday of this week for a permit for that field.

PTA Life Membership Recipients

PTA LIFE MEMBERS—These six persons have been awarded PTA honorary life memberships in the Lemon Grove School District. From left, seated, are Mrs. Ralph Brehl of Vista La Mesa School; Mrs. E. F. Brady of Lemon Grove Junior High School, and Mrs. Elzear Latulippe of Monterey Heights School. Standing, left to right, are Rush Rowley of Golden Avenue School; Keith Richard of San Altos School; I. D. Wilder of Palm Avenue School, and Ben Ela of Monterey Heights School. Mrs. Katherine Prendergast was awarded a PTA life membership at San Miguel School.

CERTIFIED VALUES SLATED TO BE 'VALUE DAYS' FEATURE NEXT WEEK

Lemon Grove Value Days will be marked here next week by a community-wide retail event.

Business firms of Lemon Grove, under the sponsorship of the Boosters Club (retail merchants division of the Chamber of Commerce), have joined together in one of the area's big spring merchandising promotions.

Bill Parker, president of the Chamber of Commerce, said newcomers to the community will be issued an invitation to visit Lemon Grove as a shopping center to enjoy the benefits of plentiful merchandise at marked-down prices, and plentiful parking without parking meter worries.

He said the invitations would be exchangeable for an orchid which he hoped women shoppers would wear as they visited stores in the community. The orchid will help identify the wearer as a newcomer and salespersons have been instructed to be particularly informative and helpful to them.

Parker said a Certified Values Committee, comprised of a homemaker, a clergyman and a retailer, would pre-shop the items to be listed in a supplement in this newspaper next week to assure all that the values are exactly as advertised. Mrs. Louella Fellows has been named to head this group.

The supplement will also be mailed directly to thousands of families around the boundaries of the community to attract neighboring residents to the pleasant practice of shopping in Lemon Grove, according to Earl Nelson, president of the Boosters.

Nelson also called attention to the fact that anyone shopping in Lemon Grove is eligible for a cash jackpot presently amounting to $1,700.

Participation in the drawing is without obligation.

Those who are in Lemon Grove Friday evening when the drawing is made get an additional cash bonus, however.

HOMEMADE CAKE AND ICE CREAM FOR SOROPTIMIST MEETING

The Soroptimist Club of Lemon Grove held a card party recently at the recreation center of Lee-Wood Trailer Park. More than 20 people turned out despite the rainy weather. Home made cake and ice cream was served with coffee. Several prizes were given. The club hopes to make this a monthly affair.

Lemon Grove Man In TV Program

Lemon Grove actor Bob Turnbull IV, will be seen in the "Sally Simms" episode of "The Millionaire" TV series. The segment was filmed last week at the Desilu-Gower Studios.

"The Millionaire" show should be seen in this area in about one month.

Turnbull, the son of Dr. and Mrs. Lloyd S. Adams, 3251 Kempf Street, Lemon Grove, has officially adopted the numerical figure IV behind his name because another actor by the name of Robert Turnbull is sometimes mistaken for him. Both names are their real names and neither of them wishes to change it. The IV is legitimate, as there were three other Bob Turnbulls in the immediate family, and all three were in show business.

Wayne Stephens of Miguel drove in for a lay-up and was fouled by a Cougar player and had two foul shots coming to him. Stevens shot the first one short and then made the second shot to tie up the game and go into an overtime. The Cougars made two baskets and Bob Megling scored one for the losing Matadors.

The Thurlow brothers, Toby and Steve, paced the Escondido five, 18 and 12 respectively, while Jeff Cox poured in 22 points to lead the Miguel five, followed by Megling with 12 points and Stephens with 11 points.

HOBBY IN A BOX

From the way the young lady was wandering around the store we knew we had a customer who hadn't the foggiest idea of what she wanted to buy.

It turned out we were right. She was out shopping for a birthday present for a nephew with an interest in photography. The boy already had a camera, she said. What was the best thing she could buy to go with it?

Bob Vaught

Well, that's a loaded question to ask any camera store owner. We turned over a number of answers in our mind before we realized there was one best answer.

So we took a Kodak Photo-Hobby Outfit off the shelf. "Here's something that can't miss," we said. "A complete home processing outfit for developing and printing black-and-white snapshots."

She looked it over and had to admit it added up to quite an impressive gift. A Printer. Roll-film tank. Trays. Chemicals. Measuring Cup. Stirring Rod. Thermometer. Film Clips. And a pack of Kodak Velite Paper. Quite a gift for just $12.50.

Sure she bought it. Giving a hobby beats giving just a plain present . . . anytime. Next time you're out gift shopping, come on in and we'll show you what we mean.

INCOME TAX FAX

This series, dealing with income tax problems, was compiled by the Society of California Accountants and will appear in this newspaper until April 15, deadline for filing income tax returns. It is presented as a public service to readers by the Society of California Accountants and this newspaper.

Did you receive benefits for last year for accident or sickness, or were your wages continued for the period that you were off work because of sickness or accident?

If so, the amount you received because of accident or sickness, if received from an insurance company where you paid premiums either directly or through payroll deductions, is not taxable income. The amount you received because of accident or sickness where your employer paid the premiums to the insurance company, or where your employer himself paid your wages while you were off sick, is not taxable income up to the first $100 per week you received after the first seven days you were off. If you were in a hospital for any day while you were off sick, then no part of the amount you received, under $100 per week, is taxable. If you were off because of personal injuries, the seven day waiting period does not apply.

OVER $100 TAXABLE

If you received over $100 per week, the excess over $100 per week is taxable income to you, but only if you did not pay the premiums to the insurance company, or if your employer is simply continuing your wages. If you paid the premiums on the surance directly, or by having them withheld from your paychecks, no part of any amounts that you receive as sickness or accident benefits are taxable income.

If you have received medical expense reimbursement, you cannot deduct as medical expenses the bills that were reimbursed.

If you deducted medical bills in a prior year, and this year receive reimbursement for them, then you should include the reimbursement in your income, but only if the deduction in a prior year gave you a tax benefit.

ATTACH EXPLANATION

Where your W-2 slip includes payments to you which are not taxable because they are benefits for sickness or accident, or are wages paid while you were off due to sickness or accident, as above, you enter the total amount of your wages on line five of your tax return and then deduct the tax free amount on line six.

Be sure to attach a detailed statment to your tax return showing how you figure this; when you were off, what happened, if you were in the hospital, etc.

Better still, get a form 2440 from the Internal Revenue Service and use it.

Only Emergency Surgery Being Booked At Three Hospials

San Diego's three major voluntary hospitals halted booking of surgery patients on any but an emergency basis as of February 19, according to statements released today by hospital administrators.

The administrators pointed out that provision is being made for handling any emergency surgery, but that the shortage of hospital beds requires that all elective surgery be carried over into the month of March.

The three hospitals are Mercy, Scripps Memorial and Donald N. Sharp Memorial Community. It is for these three hospitals that a campaign has been launched to provide additional beds and other facilities in a "Crusade for Life" program to make available $10,524,514 for acutely needed construction and improvements.

Dr. Joseph W. Telford, president of the San Diego County Medical Society, said doctors are fully aware of the gravity of the situation and are making every effort possible consistent with sound medical practice to schedule surgery as far in advance as possible.

LG-SV Pony League Baseball Happenings

A general meeting of all parents of the Lemon Grove-Spring Valley Pony League will be held immediately after registrations March 4, at 8 p.m. in the Lemon Grove Junior High School auditorium. President Don Kelley points out all parents should make a special effort to be present. The officers of the league would like to get acquainted with all parents and will answer all questions about the league.

REGISTRATION

All boys must register for league play, even though they played in the league last season. Boys must have birth certificates or hospital records or he will not be permitted to register. Cards will be available the night of registration and must be signed by both parents at that time. Any boy born between August 2, 1944, and July 31, 1945, is eligible to play in the Pony League in 1959. Insurance cost is $1.50 per boy and must be paid at the time of registration.

TRYOUTS

Tryouts will be held at 9 a.m. March 28, April 4 and April 11 at the Mt. Miguel Varsity field. In case that field is wet, the tryouts will be held at the Bancroft School field, Tyler and Central, Spring Valley. In case of doubt, call Larry Armbrust, players agent, HO 6-4861. Boys who were members of a team in this league last year will not try out unless they have been notified by their managers. A boy must attend two of the three tryouts and it will be to his advantage to attend all tryouts.

WOMEN'S AUXILIARY

President Kelley points out that the Women's Auxiliary is the backbone of the league and without them, in all probability, the league would not be playing ball.

Auxiliary President Mrs. Donna Kelley says she will be asking for help from the ladies to carry on the necessary duties that befall the fair sex during the coming season. She says, "Volunteer whenever and wherever you can."

LEAGUE DANCE

The "get acquainted" dance of the LG-SV Pony league has been set for May 2, from 9 p.m. to 1 a.m., in the Spring Valley Chamber of Commerce Hall, 9050 Memory Lane, Spring Valley. The matter of an orchestra, door prizes, etc., will be brought up soon. Proceeds from the dance will go into the fund for league expenses.

MANAGERS AND COACHES

There are openings for four managers and four coaches in the league. Any man interested should submit his application to League President Kelley, 4902 Crestland Drive, La Mesa. This is a required procedure for all coaches and managers and the decision of the board is final.

WORK

There is plenty of work to be done before playing actually gets underway, reports Kelley. Carpenters, cement men and muscle men are sorely needed. If you can help, call field chairman Harry Porter, HO 6-4860.

PRESIDENT'S MESSAGE

President Kelley says, "Welcome to each and every one of you to a year of lots of good fun and lots of good baseball. The boys won in the area and the district last year, and because of this fine showing, our league has been selected as host team for the district meet this year. We have a fine league, so help us all you can. Will see you March 4."

Stephens, Wyman Contest For Mt. Miguel Presidency

Wayne Stephens and Mike Wyman were selected Friday by the second annual convention at Mt. Miguel High School to vie for the presidency of the school's Associated Student Body. The school will hold an election on March 6, preceded by a special election assembly on March 5.

Also nominated at the convention were: Jeanette Lowe and Karen Mickelson for vice president; Kathy Holmes and Liz Norton for secretary; Barbara Carlson and Carol Knight for commissioner of finance; Beverly Slocum and Sue Strom for commissioner of school service, and Dick Schwab and Hale Thornburg for commissioner of athletics.

After all delegates and officials had registered, the convention was called to order by John Conlee, current ASB president.

Following the flag salute and national anthem, the invocation was given by Rev. Smith of the Lemon Grove Congregational Church.

"This convention will help the students to develop leadership and responsibility," remarked Melvin Grant, Mount Miguel principal.

Instructions for voting were given to the delegates by Conlee following a speech by Grant.

Delegates voted according to class instruction on the first ballot and were allowed to vote as they wished on the following ballots.

Dr. Minos Generales, professor of political science at San Diego State College, guest speaker at the convention, addressed the convention on political leadership.

Dr. Generales stressed the point that "no man can presume to govern others who hasn't learned to govern himself. Self-discipline and control are an essential for leadership," he said.

The nominating convention, which is patterned after the national political convention, is held to give students experience in political voting.

Skits and speeches supporting the candidates were presented, lobbying periods were permitted between ballots, and the balloting continued all day until only two candidates remained for each office.

Boys Urged To Stay In School By San Diego Navy Recruiters

Navy recruiters in San Diego last week expressed concern about the large number of young men applying for the Navy who haven't completed high school.

"We are happy to enlist any qualified boy at least 17 years of age, but the Navy has tremendous opportunities for the high school graduate," recruiters said.

Possession of a high school diploma affords a young man the opportunity to qualify for the Navy job field he's best suited for, and specialized training in that field through the Navy high school graduate training program. The qualified high school graduate is assured, after recruit training, of specialized training in the Navy at the very beginning of his service.

Navy recruiters urged all young men who are thinking about dropping from school to take careful consideration. A high school education makes a man more of an asset to his community. If he plans a tour in the Navy he will be more valuable because of the Navy's specialized training.

Additional information about the Navy's high school graduate training program is available at the Navy Recruiting Station located at 8th and "E" streets, Post Office building, Room 204, San Diego, BE 9-9414.

600 MORE LA PRESA ACRES

(Continued)

Valley Sanitation District also got boundary approval Tuesday from the County Boundary Commission. They were the 300-acre Engle annexation and the five-acre Hansen annexation.

In addition, supervisors held a public hearing on protests of the work and the assessments in connection with the Casa de Oro, Homelands and Mt. Helix areas of the Spring Valley district.

Warren Barney, Department of Public Works engineer, told supervisors the project had cost $396,723. He said there had been 831 assessments and the front foot assessment had been $5.53.

PROTESTS HEARD

Barney also said the three subdivisions in the area had been treated separately, with the area of each measured and the assessment distributed by dividing the number of property owners into the total.

Twelve letters of protest were read to supervisors, objecting to the assessments and work done by the contractor, Dorfman Co.

Among the property owners heard from by letter or in person were the following: James W. Kendall, Mrs. Hazel Bartle, Gilbert Congdon, Wendell S. Wilkinson, James E. Elliott, Edgar L. Wilson, Mrs. Philip Sherman, J. F. Mayfield, Mr. and Mrs. O. G. Moran, Eugene B. Miles, William Riggle, R. B. Lawrence and Louise Davis.

Supervisors continued the hearing to next Tuesday at 11:30 a.m. The Public Works Department agreed to investigate complaints of assessments and make a report.

The Dimmer VIEW

(Continued)

how you qualify as head of a household, Madam."
Woman Taxpayer: "Why sure I'm head of the household. My husband and my children always do what I say."

* * *

Note attached to refund tax return:
"Would you please send the refund for our joint return to me, sir? My husband has already spent his allowance for the next two weeks."

* * *

One male taxpayer sought a quick refund by attempting to convince a collection agent that he should get his $97.50 refund from a cash payment of $177.50 being made by a female taxpayer who was immediately ahead of him. Foolish boy!

Not content with getting rid of the utility pole in front of the post office, we made the mistake of dabbling in the post office true-blue process of putting the mail into the boxes for which we postal patrons pay a goodly stipend twice-a-year.

We have been getting several letters a week addressed to the Lemon Grove School District because their box is immediately beneath ours and because a harried clerk is entitled to an occasional mistake. The district, likewise gets letters occasionally addressed to us.

We suggested that the boys at the post office tie the mail in bundles at the sorting counter and all they'd have to do is pop a bundle into each of the boxes, eliminating stray letters being mis-boxed.

Things went well until last week when the entire bundle of our letters—some 100 of them—was sent to the school district, all securely tied together, just like we suggested.

We can depend upon arousing reaction among the clinically-minded bank fraternity when we use the word "bank" in a headline when referring to savings and loan associations.

We got three informal complaints from officers of three different banks when we did it again recently. In each instance a liberal education in the rights and privileges of banks, and the restrictions imposed on savings and loan associations, came with the growl. We think the complainants have a good point . . . if we were writing only to bank officials.

Who the heck is interested that the State issues a charter delineating carefully the sphere of activity in which each of these types of institutions may revolve. To the average reader a bank is a place where they keep money. The word "bank" in a headline tells the reader the story has something to do with money or a building holding same. If a savings and loan is involved, the story usually says that it is in the first paragraph.

A problem editors face is writing heads to fit into a small space yet support the story. We prefer two lines of heads of eighteen-point type in this newspaper but we can get only nineteen letters on a single line. Take a head like the following:

Local Bank Official Flees With $83,000

We defy any banker to write that two line headline saying the same thing but substituting "savings and loan association" for "bank."

Not only that, the dictionary says a bank is "an establishment for the custody, loan . . . of money."

So we call 'em "banks" in our headlines and will continue to do so in the future unless the California Banking Commission changes the Constitution making it illegal to use the word without the express permission of the owner.

We think bankers ought to use their energy for trying to reduce interest rates on loans and let editors have the worry of building headlines readers can understand at a glance.

Begonia Growers Slate Hybridizer-Lecturer

San Miguel Begonia Society will meet Wednesday of next week at 8 p.m. in the Lemon Grove Youth Center.

Mrs. J. W. Lowry, president, will preside and Mrs. Ferris Jones, vice president, will introduce Mrs. Dorothy Berends of Encinitas, hybridizer and lecturer. She will talk on the basic principals of raising begonias. A social hour will follow.

FARCE-COMEDY TO BE GLOBE THEATRE OFFERING

"The Waltz of the Toreadors," a sardonic farce-comedy that won the New York Drama Critics' Award is featured now at Globe Theatre in Balboa Park.

The play stars Nico Lek, Kay Nielsen and Elizabeth Kneeland and concerns a pompous French general who is accused by his possessive wife of committing infidelities, although these are mostly a matter of the husband's imagination developed for including in his memoirs.

The play will run for four weeks.

Do-It-Yourself Variety In San Diego, Says Smog Expert

"San Diego County smog is home-grown," said S. Smith Griswold, director of the Los Angeles County Air Pollution Control District, at a meeting of the San Diego County chapter, League of California Cities, Friday at Oceanside.

"The same thing that makes Southern California's climate so attractive is responsible for smog," Griswold said. "This is the inversion layer, a canopy of warm air at heights varying from six to 50 feet above the ground. Principal contributor to smog conditions are automobile exhausts," Griswold said. "Population growth involving more people, more highways, more cars, is the reason for smog.

San Diego's metropolitan population is more than sufficient to create incipient smog conditions. San Diego has the same inversion layer as Los Angeles.

Fund Raisers Convene At Warner's Hot Springs

LEMON GROVE DELEGATES TO the 1959 United Fund campaign leaders conference at Warner's Hot Spring last week were Griff Hayes, 2040 Eldorado Street, left, and Solomon A. Williams, 2047 Dayton Drive. The 100-member meeting, sponsored by 25 business and labor organizations, selects a theme and makes plans for the annual drive to raise operating funds for almost 100 health, welfare, and social agencies in San Diego County. The drive will start August 24.

'A' Students Listed At Junior High

Several proud students in the seventh and eighth grades at Lemon Grove Junior High School carried home straight "A" report cards last week for the second quarter of this school year. The grading deals with "solid subject" courses and classifies these students in the top 6 percent of the classes.

In the seventh grade, the following students are on the "A' honor roll: James Arsenault, James Harter, Donald Lawrence, Landra Peterson, and Susan Young.

In the eighth grade, these students belong to the second quarter "A" honor roll: Linda Amis, James Bowersox, Michael Cosby, Karen Dahl, Martin Koenekamp, Tommy Langpap, Joyse Lusk, Michael O'Hare, Sandra Shurtz, Rosemary Takanashi, Rita Williams, and Gayle Wortman.

The trip prizes include a two-day reservation for two persons at the Tropicana Motel near Disneyland in Anaheim; two days for two at the Mission Inn in Riverside; a weekend for two at the Village Inn at Lake Arrowhead; weekend for two at Arrowhead Springs Hotel in Lake Arrowhead, and a suite for two for two days at the Palm Springs Biltmore Hotel in Palm Springs.

Other committee chairmen are: tickets, Mrs. John Harvey and Mrs. Farrell Patton; raffle, Mrs. Joseph Payson and Mrs. Warren Peterson; candy, Mrs. Ralph Kraft; favors, Mrs. Robert Torrens and Mrs. Ray Offutt, and publicity, Mrs. Bennie C. Mt. Miguel Wrestling Team Places Three Men In SCIF Championship

With two firsts and one second place copped in Saturday's Southern California Inter-scholastic Federation wrestling match at Kearny High, three men of Miguel's wrestling team move into the SCIF wrestling finals in Mt. Miguel's gym Friday of this week.

These were the victorious Matadors at the end of the day-long event: Sonny Kaneko, 120 pounds, who pinned his man in a second overtime period to win a first; Larry Hutton, 165 pounds, who also won a first; and Pete Jernigan, 175 pounds, who won a second over his man.

Coach Ben Duea of the Matadors commented after the last match: "Kaneko and Hutton, who were runners-up in last year's SCIF championship finals are in top form. Jernigan, who came through in the runner-up spot in the semi-finals today, while only in his first year of wrestling, still has a good chance for the championship in the SCIF finals. Although we lost Schroeder, Snyder, and Jenkins in the last few seconds of their matches, we have a strong chance of placing near the top in the finals.

The general public is invited to view the SCIF finals in the Mt. Miguel gymnasium at 1800 Sweetwater Road from 1:30-11:30 p.m. on Friday.

Tickets, which can be purchased at the door, will be priced as follows:

1:30-5:30 p.m. — Students, 25 cents. (No ASB cards will be honored.) —adults 50 cents

7:30 p.m. — Students 50 cents. (No ASB cards will be honored.) — Adults $1.

Parking facilities will be provided at the school, with parking supervised by Col. Mosse and the Cadet Corps. Ushers for the event will be members of the Lettermen's Club. Music will be provided by Los Allegres, Miguel's pep band. Meals for the 96 boys and 30 coaches will be served in the cafeteria from 10:30 a.m. to 12:45 p.m. and from 5:00 to 6:30 p.m.

Virgil E. Duea is tournament manager, assisted by Tom Welbaum, head coach at Miguel.

Melvin C. Grant, principal of Mt. Miguel, who will give a word of welcome at 7:25 p.m. will also be present at the 1, 2, 3, and 4 place awards in each weight and the first and second place team trophies at 11:30 p.m. Friday evening.

Georgia Pedersen Last Rites Held

Georgia May Pedersen, 67, of 7936 Lester avenue, Lemon Grove, died February 16 in a doctor's office in La Mesa.

She was a San Diego County resident for 37 years. She is survived by her husband, Hans C.

Funeral services were held February 19 at Conrad Mortuary. Interment was at Mt. Hope Cemetery.

Solos Will Be Heard At Meet

Vocal and instrumental solos will be featured at the March 2 meeting of the Lemon Grove School Music Parents Club. Beginning at 7:30 p.m. in the school auditorium on School Lane, the program also includes student ensembles, all under the direction of Harry Weisgerber and George Starkey, music directors at the schools.

Mrs. H. L. Hensley will preside at the business meeting. Following the student program, refreshments will be served.

Residents are reminded that March 2 is the deadline for reservations for the Hollywood bus trip sponsored by the Music Parents on March 10. All proceeds will be used to further club activities for young musicians.

The trip, leaving Lemon Grove at 6:30 a.m. and returning at 8:30 p.m., includes two television programs and two meals at famous restaurants. Total cost of the tour is $5.50. Reservations may be made through Mrs. H. W. Lawler, HO 6-6876, on or before March 2.
